

## Recreation

Dozer Crew

OHV Crew

Trail Crew

The Grand Valley Ranger District anticipates hiring various temporary Forestry Aids and Forestry Technicians to fill Trails crews for 2012. Most positions start mid May and end late September of 2012. General position duties, skills, as well as additional contacts are listed below. All positions will involve working 4- 10hr shifts and camping out for the week in the field/perdiem of \$22/day will be paid.

Trail crew – some of the positions will be doing primary trail maintenance and re-construction so good physical condition is important. Digging in the dirt is a good description of the work to be performed.

OHV Crews – these folks will be working a Friday thru Monday schedule and will be staying in the field. Their focus will be signing, maintenance, and public contacts on 4-wheeler trails.

Dozer crews – these folks will be operating and supporting the motorized trail maintenance and re-construction. A trail dozer requires an operator and at least one trail crew to support the hand work required.
